To Whom It May Concern:

We contracted Rose Lindsay earlier this year to setup our website and create an acceptable Google search positioning for us. Both of these tasks were completed to our total satisfaction and within the time constraints we gave her.

Rose is a very talented young lady who is knowledgeable, enthusiastic and extremely helpful in getting the best possible result for her client. She has exceeded our expectations in designing the website and since it was launched in March, our clients have also commented on the easy to navigate layout and visual comfort whilst visiting the site.

We have continued to use Rose for minor changes and updates and again she has led us to believe that nothing is too much trouble for her. As such, she will remain our first choice for all future work we require in this area of expertise.

We highly recommend Rose Lindsay's services to any client seeking a website presence on the net or any redesign work on their current site.

Yours sincerely,
